## Key Principles Of The Constitution

### CHECKS & BALANCES

1. First, color each branch of government a different color.
2. Then color the arrow going FROM that branch the SAME color.
3. Next, using this website or a textbook, fill in WHO the branch represents. <https://goo.gl/8jfO6V>
4. Write one check on the arrow from the branch that is doing the checking to the other branch.
